## **DETAILED ACTION**

### ***Information Disclosure Statement***

Two (2) information disclosure statements (IDS) were submitted on March 3, 2009 and were filed after the mailing date of the Notice of Allowability on December 29, 2008. The submissions are in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statements are being considered by the examiner.

### ***Allowable Subject Matter***

The following is a statement of reasons for the indication of allowable subject matter: Neither the prior art of record, either alone or in combination, nor the references listed in the information disclosure statements filed March 3, 2009 suggest or teach inverting an annular, planar clip with radially outward pointing tines to form a clip with radially inward pointing tines and subsequently heating the clip in its inverted configuration.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
